Guidance

- On September 29, 2021, CDPH released the Centers for Disease Control and Prevention (CDC) Health Advisory 453: COVID-19 Vaccination for Pregnant People to Prevent Serious Illness, Deaths, and Adverse Pregnancy Outcomes from COVID-19 via California Health Alert Network (CAHAN). The CDC recommends urgent action to increase Coronavirus Disease 2019 (COVID-19) vaccination among people who are pregnant, recently pregnant (including those who are lactating), who are trying to become pregnant now, or who might become pregnant in the future. CDC strongly recommends COVID-19 vaccination either before or during pregnancy because the benefits of vaccination outweigh known or potential risks.
- On September 28, 2021, CDPH released News Release: California Extends Worker Vaccine Requirement to Protect Vulnerable Californians from COVID-19 via CAHAN. To provide additional protections against COVID-19 for vulnerable individuals across the state, the CDPH issued a public health order requiring COVID-19 vaccinations for workers in adult and senior care facilities and those employed in in-home direct care settings.
- The following guidances have been updated and/or posted to the CDPH webpage:

County Reports

Amador

- Due to the ongoing COVID response and lack of available staff, Public Health has requested a state resource to assist with booster vaccination clinics.
- Amador County is assisting a congregate facility outbreak with rapid Antigen testing supplies and personal protective equipment.

Butte

- There are several outbreaks within the county.
- Butte County Public Health continues to provide support to local Skilled Nursing Facilities as well as Assisted Living Facilities, the Butte County Jail, and Juvenile Hall.

Calaveras

- Staffing the only hospital is a critical concern of COVID-19 surge; [however, census is down.](#)

Lake

- CalConnect Virtual Assistant, which automatically sends case investigation surveys is now operational.
- COVID-19 messaging efforts are concentrating on congregate living, schools, and businesses over the next few weeks.

San Francisco

- As of September 30, 2021, there are 21 reported outbreaks of COVID-19 in congregate living facilities.
- A new testing site at the Crocker Amazon sports complex in the Excelsior District will be available exclusively for San Francisco United School District students and staff who are experiencing COVID-19 symptoms or are considered a close contact of someone who has a positive COVID test. A dedicated site for the school district will support the need for schools to remain safely open with minimal disruptions.

Sierra

- Conducting vaccine clinics at the Health Department using My Turn every Thursday afternoon with the newly hired Infection Control Nurse or contracted registered nurse. Numbers continue to be well under capacity. Offering all three types of vaccine.

Yolo

- One Skilled Nursing Facility/Long Term Care has a COVID-19 outbreak.
